Parade Invitation Letter

February 19, 2025

Dear Patriot and Parade Enthusiast:

American Legion Auxiliary Unit 238 and Post 238 family is proudly sponsoring the Safety Harbor 4th of July Parade for its 16th year!

Over the last 15 years, our parade has been a huge success! This parade is near and dear to our hearts, as we feel this is an important means for our citizens to show their support for our country, our troops and veterans, and those veterans who have fought and died for our freedom since 1775.

On behalf of our Auxiliary Unit and the City of Safety Harbor, we would like to extend a special invitation to your organization to participate in this year's parade. If you are not the correct person to represent your organization, please let us know and kindly forward the invitation and application to the correct person.

Attached, please find a parade application. **If your organization is interested in being a part of the 4th of July parade, please fill out the application and return them via email or via drop off to the Legion bartender on duty no later than May 15, 2025.**

The Parade will begin at 10:00 am with a line-up time at 8:30 am. The route will be directly down Main Street from Bayshore Drive to 9th St. Details of your parade positions and instructions will be communicated via email closer to the parade day. **Your assigned position cannot be changed after June 1, 2025.** Please note, parade position changes are not guaranteed and up to the parade facilitator's discretion.

By returning the application as soon as possible, we will be able to review your entry and secure your organization a position in the line-up. Please make sure your email address provided is active as this will be our main form of contact. You will be notified via email when your application has been received.

If you happen to know of other organizations or businesses that would like to participate, please feel free to share our contact information with them.

Please feel free to contact us via call, text, or email listed below regarding any questions or concerns.

Kind Regards,

Karen Sanderson and Skylar Hartwick
